all hair and scalp diseases.

ARNOLD PAYNE, an aged negro who

spent his life in that city, and remembered
when the town contained only a few
houses, and the surrounding country was
a wilderness of cane and forest, inhabited
by the buffalo and Indian.

A fine congregation was out last night
at the Central Presbyterian Church to
hear Dr. Guerrier's excellent and touching

m. and 7 p. m. It is found after trial
that the morning hour is inconvenient

DR. J. A. MITCHELL visited the Rector-

The predictions of the Government's

A Captain's Fortune Discovery.
Capt. Coleman, a str. Weaverton, play-
ing between Atlantic City and N. Y.,
had been troubled with a cough so that
he was unable to sleep, and was induced
to try Dr. King's New Discovery for
consumption. It not only gave him instant
relief, but allayed the extreme soreness
in his breast. His children were simi-
larly affected and a single dose had the
same happy effect. Dr. King's New Dis-

guaranteed as to quality. As to beauty
and attractiveness they feel that they can
defy competition. They make and will
have on sale a varied supply of fresh
home-made candies, and will take orders
for such, as well as for five cakes for
Christmas. Persons making holiday pur-
chases should not buy until they have
seen this stock. Those who fail to see
these offerings will miss bargains.

OHIO RIVER BRIDGES.
It is said that the new year will see
many changes in the operation of roads
which use the existing bridges across the
Ohio. That at Louisville is controlled
by the Pennsylvania through its owner-
ship of the Jeffersonville, Madison and
Indianapolis, but Mr. C. P. Huntington
is the moving spirit in the construction
of a new bridge, which will be used by
other companies beside those controlled
by him. The Ohio and Mississippi prop-
ose building a short line to enable it to
make a connection, and the Louisville,
New Albany and Chicago propose to use
the same bridge. This will deprive the
Jeffersonville, Madison and Indianapolis
of another good customer. Mr. Hunting-
ton is also to build a bridge across the
Ohio at Cincinnati for the use of the
Cape and Ohio system, and the Cincinnati,
Hamilton and Dayton, recently
purchased in his interest. Mr. H. S.
Ives, who was the agent in the latter
purchase, says that he has been offered
\$1,000,000 for his bargain, but he did not
care to sell. The preferred stock issued
by the company will enable it to pur-
chase additional equipment, of which it
stands much in need. The Cincinnati
bridge is not likely to be finished next
year. It is to be 125 feet above low wa-
ter.—Chicago Times.
